Workers needed...

Christ Lutheran Council creates two new positions

The Church Council members, at their May meeting, formally created two new paid positions.

The two positions are Video Streaming and Video

Projection. The goal is to recruit CLC members to staff these positions on a rotating schedule. Neither position requires any previous experience or training. Participants will be fully trained and receive reference materials.

The goal is to have no less than four trained Video Streaming operators. This position involves operating the video camera, sound board, and streaming/recording interface. Training will include a private hands-on tutoring session and supervised operating training session during an actual worship service(s).

The Video Projection operator position includes: turning on TV's, projectors, and computer prior to the service and then cuing the computer to project the slides as the service progresses. This position involves minimal training. The goal is to have at least 8 to 10 Video Projection operators.

Both positions will be staffed at each worship service with a rotating schedule. The more participants that commit to this ministry, the less often each operator will be scheduled.

The council established a compensation payment, per service, of \$25 for the Video Streaming operator and \$10 for the Video Projection operator.

All members interested in either or both of these positions should contact one of the following: Council officers Vicky Harris, Dennis Davis, Shari O'Donnell; staff members Pastor Rood, Vicar Susan, Dawn Peterson, or "Master" video operator Scott Kuehn.

Equal Exchange coffee items available for purchase at the Coffee Hutch

Check out the items at the Equal Exchange Coffee Hutch! There are coffees, teas, hot cocoa, olive oil, candy bars, etc.

Purchasing these items helps the small farmer co-ops around the world. Farmers earn a fair price for their crops, have access to affordable credit, and can invest in education, health care and sustainable agriculture, building a better future for their

families.

Take a look, and if purchasing, please place your monies in the locked box attached to the hutch.

McLeod Emergency Food Shelf – help is available when needed!
